

EPSON is the global market leader in imaging products, such as printers, projectors, monitors and complete cash register systems. With an innovative and creative culture, EPSON is dedicated to exceeding the vision and expectations of customers worldwide with products known for their superior quality, functionality, compactness and energy efficiency. EPSON also aims to ensure that its products have minimal impact on the environment throughout the product lifecycle.

EPSON Europe BV was set up in Amsterdam in 1990 to take on the special challenges and diversity of the European markets and beyond. It serves as the strategic headquarters of the EMEA region covering Europe, the Middle-East, Africa and Russia.

Challenging times are ahead for EPSON therefore we are currently recruiting for a

Logistics Manager in Tilburg

The successful candidate will manage the external service provider with regard to warehousing and logistics with a budget responsibility of approx €25M. He or she will report into the Head of Logistics EMEA.

Your main job responsibilities will be:

- Owning the Vendor relationship management process. Ensure relevant stakeholder communication & action from both provider and EPSON.
- Managing budget for the site (€25M EUR pa); responsible for all cost management issues relating to the CDC.
- Planning capacity; Ensure a capacity plan is in place for seasonality, projects and value added services (VAS)
- Key Performance Indicators: ensure performance from Provider meets or exceeds the agreed targets.
- Managing projects; any consolidation and integration projects.
- Structured continuous improvement and process optimisation for cost reduction and efficiency, service and environmental impacts improvement
- Leading periodic negotiations of variable costs such to ensure value for money to Epson. Ensure adherence to all cost and performance related KPI's
- Strong leadership and influence skills to get results

Your required background:

- HBO/WO degree, at least 5 years experience in a similar role/industry
- Solid project management, logistics background
- Leadership/people management skills
- Cooperative, persuasive, analytical, client oriented, driven

EPSON offers an interesting remuneration package; competitive salary, 29 holidays per year, a 13th month of salary, discount on company products and more...
