

EPSON is a global leader in imaging products including printers, projectors, and LCDs. With an innovative and creative culture, EPSON is dedicated to exceeding the vision and expectations of customers worldwide with products known for their superior quality, functionality, compactness and energy efficiency.

EPSON Europe BV, based in Amsterdam, is the strategic headquarters for the EMEA region, covering Europe, the Middle-East, Africa and Russia. It is also the financial and administrative centre, providing back-up functions for all European operations.

Challenging times are ahead for EPSON and we are currently recruiting for a

Demand and Supply Planner

The Planning department is part of the EMEA Supply Chain Group. The Planner will manage the supply, delivery and shipment of materials and finished goods

Responsibilities:

- Support marketing department in analyzing sales forecast and following up tender/special deal information.
- Responsible for creating monthly/bi-weekly Stock & Sales report and procurement forecast plan
- Creating and communicating a monthly availability/dispatch plan/allocation file with the sales companies
- Timely and accurate day to day planning tasks, activities and communication with SEC, EMD and ESC's
- Work closely with supplier to improve stock availability and with fulfillment team to improve stock visibility and maximize sales companies' revenue target
- Monitor and help improve supplier performance on delivery schedule, product availability and freight method/cost
- Take an active role in stock management, coordinate with warehouse and suppliers to stock scrap, rework, return and inter company transfers, and analyze sales/stock data and trend to maintain a good inventory level
- Work closely with marketing department and NPI for smooth phase in/out of products, product bundles and promotion, and reduce obsolescence.
- Amending and improving the existing processes and evaluating improvements which will improve the business requirements internally and with external parties

Required background:

- (Relevant) bachelor and/or master degree
- 2-3 years experience in supply chain planning and logistics

EPSON offers an interesting remuneration package; competitive salary, 29 holidays per year, a 13th month of salary, discount on company products and more...
